Our Host & Sponsor!

Host: Temple Terrace Public Works
11210 N. 53rd. St.,
Temple Terrace, Fl. 33617

SPONSOR: Eric McRoberts with USSI

USSI has developed the G7 Water Abatement Program which was specifically developed to positively impact the environment, reduce unnecessary water treatment costs to utilities, and to proactively assist our clients in complying with the many new Wastewater Management and Maintenance mandates being required by the DEP and EPA.

We have focused on Municipalities whom deal with I&I issues on a daily basis. Over the years we have developed our G7 Water Abatement Program, which is a series of services which include Smoke Testing, Inflow Dish Installation, LDL Plug, Elastaseal, Online Reporting and Midnight Monitoring. We specialize in first identifying the defects, then following through with simple affordable fixes for most of the defects.

What The Heck is That?????

Take a look at this picture. Have you ever seen one of these? Do you have a guess? Bring your answer to the NEXT MEETING and you could win **BAM!** That's **Bumming Around Money!** All correct guesses are put in a hat, and the winner drawn at random will win **\$25 U.S.**
