### SECTION III – Course Completion Record

List students who have completed the course (defined on the front page) according to the standards and requirements set forth in the rules of the Department of Environmental Protection and Florida Water and Pollution Control Operators Association, Inc.. For continuing education, list instructors first and indicate the total number of hours of credit combined for teaching and for attending. For classroom courses, the credit hours earned by an instructor may be less than the total approved hours. Use one line for each record. For Continuing Education (CEU) course list the number of credit hours.
