## Old Business

---

The region donated \$1000.00 to World Vision. World Vision is a Christian organization dedicated to working with children, families, and their communities world-wide, to reach their full potential by tackling the cause of poverty and injustice.

Steering Committee Update (Dawn) Would like to recruit new members onto the Steering Committee if anyone is interested.

We are currently researching a Water/Wastewater Organization to donate to, last quarter we donated to Water for People and plan to pick a new one each quarter if possible. If anyone has any suggestions, please let us know.

We would like to fill the Vice-Chairman spot interim until Anthony returns from his training. Igor Gutin was nominated and by consensus will fill in as the Vice-Chairman until Anthony's return.

**Port Charlotte East Port Water Reclamation facility to host October 8th regional meeting and this will officially be announced once secured.**

**The 12th annual Water/Wastewater expo has officially been scheduled for August 29th at Charlotte Harbor Event and Conference Center: 75 Taylor St, Punta Gorda, FL 33950.**

**Volunteers are needed during the event to help man the FWPCOA booth and members were urged to attend the event.**

**The region is considering hosting another Backflow inspector course at the City of Cape Coral Reclamation Facility due to demand and past success.**

**During an open floor discussion, a member mentioned that Region VIII should donate a portion of its funds to a charity event fundraiser called 'Hook'em in the Glades' held by Everglades' school district. Being unfamiliar with the organization, officers and members came to an agreement to make the donation upon further research and discussion.**
