

## **FW&PCOA Region 7 Cancels April Training Events**

March 17, 2020

Dear Students,

Out of an abundance of caution in response to the COVID-19 pandemic and in adherence to the federal guidelines established to prevent the spread of the disease, the FW&PCOA Region 7 has cancelled the following training events scheduled for April.

**April 13 – 17, Jacobs – Pembroke Pines Water Distribution 3 Course and Exam**

**April 20 – 24, Jacobs – Pembroke Pines Wastewater Collection C Course and Exam**

Students or utilities who have already paid tuition fees for the cancelled training events will receive a full refund from the FW&PCOA Region 7 by check.

Region 7 apologizes for any inconvenience caused our students and their employers, and plans to reschedule the training events later in the year. Please stay tuned to our webpage at <http://region7.fwpcoa.org> for future announcements.

Sincerely,

Tim McVeigh, Treasurer  
FW&PCOA Region VII
